## PROFESSIONAL PROFILE

Front-End Developer with 6 months of hands-on experience building responsive and scalable web applications using React (Vite), Next JS, JavaScript, and Tailwind CSS. Experienced in developing production-level projects such as e-commerce platforms and admin dashboards. Completed multiple internships, gaining exposure to real-world workflows, API integration, and component-based architecture. Strong in HTML, CSS, Javascript, React JS, Next Js with a focus on clean code and UI/UX design.

## SKILLS

- **Technical skills --:**
- **Frontend ::** JavaScript, Next JS, React JS, TypeScript, Tailwind CSS, HTML, CSS, Bootstrap, Bootstrap Studio, Redux Toolkit
- **Backend & APIs::** REST APIs
- **Programming Languages::** Javascript, TypeScript, Python, SQL
- **Data Analysis & BI::** SQL, MS Excel, Power BI
- **Version Control::** Git, GitHub
- **Deployment::** Netlify
- **Development Tools::** Bootstrap Studio

## PROJECTS

- Flower Shop Website,** [Link](#)
- Hosted on **Netlify**, developed an **e-commerce flower shopping application** using **React (Vite) and Tailwind CSS**, enabling users to browse and purchase flowers online.
  - Designed and developed a **dynamic product catalog** with **category-based flower listings** for smooth navigation and improved user experience.
  - Implemented **global state management using Redux Toolkit** to handle cart, product data, and UI state efficiently.
  - Focused on **responsive design and intuitive UI/UX** to ensure ease of use across devices.
- Blog Admin Dashboard,** [Link](#)
- Built a **production-style Blog Admin Dashboard** with complete CRUD operations and real-world content management workflows.
  - Developed a **responsive admin UI** featuring sidebar navigation, pagination, search, and filtering for efficient data handling.
  - Implemented **soft delete with automatic data purge** and **persistent pagination using LocalStorage**.
  - Utilized **React (Vite) and Tailwind CSS** to create scalable components and optimized state management without external UI libraries.

## AWARDS

Recieved a Letter of Recommendation from CodeAlpha for exceptional performance during the Frontend Development Internship.  
Gold Medalist in Chess competition at Dr. Abdul Kalam Sports Fest (Zonal Level)  
Hold 3rd position in B.Tech 4rd year  
Hold 1st position in B.Tech 3rd year

## EDUCATION

|                                                                                                             |             |
|-------------------------------------------------------------------------------------------------------------|-------------|
| <b>Bachelor of Technology, Information Technology</b>   Institute of Technology & Management, Gorakhpur, UP | 2019 - 2023 |
